

# **YOUTH CENTER BEGINNING ITS SIXTH YEAR IN GOLDEN SHORES**

## **SAFE PLACE FOR OUR KIDS TO LEARN & PLAY**

Six years ago we saw a need in our wonderful community for the children to have:

- Safe supervised place to play
- Get help with their homework
- Learn to play well with others
- Arts and crafts
- Learn to be responsible citizens
- Provide snacks and drinks
- Many outdoor activities—bikes, baseball, badminton, pogo sticks, water slide (when hot out), etc.
- Many indoor games—skee ball, air hockey, video games, puzzles, jewelry making, etc.

We place great value on educating our children so they can reach their full potential. You may want to volunteer even one day a week. Any help is always greatly appreciated.
